INTERNATIONAL BROTHERHOOD OF TEAMSTERS

25 LOUISIANA AVENUE, N.W. • WASHINGTON, D.C. 20001

Dear Brother or Sister:

Navigating through Medicare Part D offers can be overwhelming, so it's smart to start by narrowing the choices to the ones offered by someone you know and can trust. The TEAMStar® Medicare Part D Prescription Drug Program is the only exclusive Part D program developed for you by your union with your best interests in mind.

The IBT has been offering Medicare Part D plans to its retirees since Medicare Part D began. We are pleased to announce we have a new plan this year that is very competitively priced and provides coverage very similar to other plans available. We are calling this new plan the "**Saver Plan**". Please review the enclosed materials for more details about this new plan that offers nationwide pharmacy network coverage and more formulary drugs than many other commercial plans for about the same premium.

Whether you are purchasing Part D prescription drug coverage for the first time, or you are looking for a better alternative, please consider this union program carefully. If you currently have prescription drug coverage through your former employer or welfare fund, please discuss this union program with your benefits administrator before enrolling in TEAMStar® Medicare Part D to make sure enrollment won't negatively impact your existing coverage.

The time to enroll is limited. If you want to enroll, you should act now before the open enrollment period ends. Enrolling is easy. Everything you need to make a decision about this program is included in this package.

Sincerely,

John Slattery, Executive Director

International Brotherhood of Teamsters Voluntary Employee Benefits Trust
